Methods of allocation:

- FUNDRISING activities are allocated using the 'funds received method' where the federal proportion of expenses must equal the federal proportion of monies raised.
- II. Shared **DIRECT CANDIDATE SUPPORT** activities are allocated according to benefit expected to be derived, where the federal proportion of disbursements is based on the benefit derived by federal candidates from the activity. **For PACs Only**: Direct candidate support includes public communications or voter drives that refer to both federal and nonfederal candidates, regardless of whether there is a reference to a political party. Such expenses are allocated using a time/space method.
